## SVS105MMG 5" Mirror Monitor ~ GPS Receiver ~ DVR

### Product Information

Featuring a generous 5" monitor for easy viewing and loaded with a GPS receiver, High Definition Digital Video Receiver (DVR), Rear or forward view camera input, Bluetooth and FM transmitter, our 100 series mirror monitor is packed full of features, delivering a complete and comprehensive solution to your vision and safety needs.

Unlike other products on the market, the SVS105MMG completely replaces the original mirror, providing a sturdy and premium replacement to the installed vehicle. This unit is made from high quality plastics and the monitor contains a capacitive touch screen, which provides greater levels of accuracy and ease of use.
