

PREMIUM RANGE 200 Series

Product Overview

SVS207MW 7" IP68 H/Duty Dual Camera Monitor

The new 7" IP rated screens are the new benchmark in monitors. Capable of supporting all premium camera formats the 207MW is water-resistant (IP68) and is designed to support two camera inputs and can display parking distance markers when required by the user. With its slimline design and capacitive touch keys the 207MW is the ultimate choice in the premium range of monitors.
